MESSAGE FROM THE PRESIDENT OF THE SANFORD LIONS CLUB

It is with real pleasure that the Sanford Lions Club again sponsors the Lee County Agricultural Fair. It is our sincere hope that the good citizens of our County will cooperate with us in the sponsorship of this, our own Fair, and assist us by exhibiting splendid agricultural and home products of our fertile County, which produce we feel has no peer.

The Sanford Lions Club wishes to assure you that everything possible will be done to present to you the best of entertainment in connection with our Fair. We have contracted Bantley's All-American Shows, again, to provide side attractions for the Fair. This show concern is reputable, and will present for your pleasure free acts, riding devices and a clean variety of shows. We especially urge as many as possible of our citizens to exhibit their products. Our premium lists are larger and more inviting than ever. We will have ample space for all those who wish to exhibit, and for those who do not wish to exhibit their products we urge you to visit, assist and cooperate with us in making this Fair a credit to our good County and community.

Trusting that you will receive the greatest of enjoyment from engaging in and attending our Fair, I am,

Very sincerely yours,

W. W. SEYMOUR.

President Sanford Lions Club.

LETTER FROM COUNTY AGENT

Lee County is fortunate in having a civic organization that realizes the importance of showing what is being done in the county in the field of agriculture.

I feel that our people are greatly indebted to the Lions Club, and I want to encourage them to begin selecting their exhibits as early as possible.

A good agricultural fair is an asset to any community. By seeing what others are doing encourages us to make the best better. By seeing good exhibits, which can only be secured by proper selection, make us aware of the fact that we too should be grading our commodities before offering them for market. Poor prices are usually a result of poor grading. The educational part alone is worth the time and trouble even if there were no prizes offered.

I wish to pledge my full support to the Fair and expect to spend much time in the field helping in the selection of exhibits.

Very truly yours,

J. P. KISER, County Agent.

LETTER FROM HOME DEMONSTRATION AGENT

Dear Lee County Women:

You will want to show your fine home products in the many departments at the Lee County Fair. May I suggest that you study the premium list and mark items which you have. Then, select your very best. Make whatever you have look as attractive as possible.

On Monday of Fair Week bring your entries. There are more prizes this year. Putting up a fair is always fun for the whole county. Come in to meet your old friends and make new ones.

Yours very sincerely,

CORNELIA SIMPSON.

A LETTER OF APPRECIATION

As Manager of the Lee County Fair, I want to thank each one for every thing he or she has done or might do in making our Fair the success we are looking forward to.

The subscribers to advertising space, the farmers who enter their exhibits and the loyal work and support of both our County Agent, Mr. J. P. Kiser and Home Demonstration Agent, Miss Cornelia Simpson are all sincerely appreciated. We also want to take this means of thanking all the Home Economics teachers and Agricultural teachers in our County. The very fine spirit of cooperation of each member of our club will be a large factor in its success.

I want to add in conclusion that the money made from this event will be used for various charitable causes in our County, so come out and help a good cause.

Sincerely yours,

BILL MAKEPEACE, Jr., Mgr.

Lions Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my own business it is not necessary to tear down another's, to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action toward my fellowmen, to resolve such doubt against myself.

To hold friendship as an end and not a mean.

To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing, but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give to them my unswerving loyalty in word, act, and deed.

To give them freely of my time, labor, and means.

To aid my fellowmen by giving my sympathy to those in distress, my aid to the weak and my substance to the needy.

To be careful with my criticism and liberal with my praise, to build up and not destroy.
